SOFTBALL AGE PURE CHART – FALL 2024/SPRING 2025

FBSA Recreational Softball Leagues are based on USA Softball age guidelines. Players are also eligible to play-up one calendar year, not necessarily one league. Example: a U10 player born in 2015 and wanting to play up one calendar year is now classified as a 2014, and therefore remains a U10 player under these guidelines.

A participant born on or between the dates of September 1, 2017 and August 31, 2019, is league age 6. (U6 Girls Tball)

A participant born on or between the dates of September 1, 2015 and August 31, 2017, is league age 8. (U8 Girls Coach Pitch)

A participant born on or between the dates of September 1, 2013 and August 31, 2015, is league age 10. (U10 Girls Kid Pitch)

A participant born on or between the dates of September 1, 2011 and August 31, 2013, is league age 12. (U12 Girls Kid Pitch)

A participant born on or between the dates of September 1, 2008 and August 31, 2011, is league age 15. (U15 Girls Kid Pitch)
